After acceptance of the bid, the Bidder or all partners (in the case of partnership firm) or the 10.6.2 authorized representative of the firm with a valid power of attorney will append photographs and signatures duly attested, at the time of execution of Agreement.

If any Bidder, who having submitted a bid does not execute the agreement or start the work or does not complete the work and the work has to be put to re-bidding, he shall stand debarred from 10.6.3 participating in such re-bidding in addition to forfeiture of Earnest Money/Security Deposit and other action under various clauses of agreement.

Corrupt or Fraudulent Practices:

The Department defines, for the purposes of this provision, the terms set forth below as follows:

"Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and

"Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Department, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the benefits of free and open competition.

Any effort by a Bidder to influence the Department in the Department's bid evaluation, bid comparison or contract award decisions may result in rejection of the Bidder's bid.

The Department will reject a proposal for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

Qualification and Evaluation Criteria

Qualification and Evaluation Criteria

This Section complements the Instructions to Bidders. It contains the criteria that the Purchaser may use to evaluate a bid and determine whether a Bidder has the required qualifications. No other criteria shall be used.

1. Domestic Preference

1.2 Preference To State Units and Placement Of Supply Orders

- Purchase and Price preference in procurement from micro, small and medium enterprises situated in Rajasthan will be given as per Notification No. F.1(8)FD/GF&AR/201, dt. 19.11.2015 - Published in **(I)** Gazette Extraordinary, Pt. IV (C)(II), dt. 14.07.2016. Some of the important points of the notification
 - (a) In order to seek price preference or purchase preference or both under the above notification, an application, as prescribed shall be submitted by the local enterprises to the General Manager, District Industries Department. The certificate [Appendix - B point no. 7(iii)] issued by the DIC upon the application is required to be submitted by such bidders to avail the price preference or purchase preference or both under the above notification.

(b) Every micro, small and medium enterprise shall be required to submit an affidavit as per format

given Appendix - B point no. 7(iv). (c) Before issuance of the work order to the micro, small or medium enterprises, as the case may be for requisite procurement, the procuring entity may approach the appropriate authority under Industries Department, not below the rank of District Industries Officer, in order to ensure that the said enterprise, from which the procurement is to be made, possesses necessary production capacity in quantities and qualitative terms, as required in the bidding document.

Note: In addition to above if the Owner of the Micro, Small enterprise of Rajasthan belongs to SC or ST Category he shall submit the document and information as desired in Appendix - B point

In case the prices of the local bodies are not found competitive even after grant of price preference, and the bidding enterprise from outside the state is adjudged lowest, then purchase preference to (II)local enterprises shall be given in the following manner, subject to fulfillment of all required specifications and conditions of the bid :-

Opportunity shall be given to local enterprises to supply 80% of the Bid quantity.

Order for 20% quantity shall be given to the original lowest bid outside enterprises subject to its commitment. However, where State enterprises are not available on parallel contract, entire purchase shall be made from lowest outside unit subject to its commitment.

Out of this 80%, minimum of 60% would be required to be purchased from the local micro & small enterprises, in case they have also bid, and within this 60%, 4% shall be earmarked for procurement from local micro and small enterprises owned by member of Schedule Caste or

(d) The remaining quantity, out of the above mentioned 80% and to the maximum limit of 20%, shall be procured from the local medium enterprises in case they have also bid.

- (e) To exercise this option of purchase preference for 80% of the bid quantity, in such a situation, a counter offer would be given to the local enterprise, which has quoted the minimum rate among the local bidder enterprises, to match the overall lowest (L1) rate received. In such case, price preserence shall no longer be applicable and net lowest price (L1 price) would be required to be
- In case, the lowest local enterprises does not agree to the counter offer or does not have the capacity to provide the entire bid quantity, the same counter offer shall be made to the next lowest bidder of the eligible local bidder enterprises, in that order till the quantity to be supplied is met. The contract for the supply of goods to the Micro, Small and Medium enterprises of the Rajasthan State may be given to the extent of their capacity by breaking the order in part for procurement of goods, in the manner provided in rule 74 of the RTPP Rules, 2013.
- While tabulating the bids of local enterprises, the element of Rajasthan Value Added Tax shall be excluded from the rates quoted by these enterprises, whereas the element of Central Tax shall be 1.2.1 included in the rates of enterprises from outside Rajasthan for evaluation purpose only, provided that the specifications and all other requirements are in accordance with the bid.
- In case a bidder offering to supply the goods in a dealer located in Rajasthan and the bid price are equal to the rates offered by local enterprises of Rajasthan and the quality and specifications of the 1.2.2 goods are the same, the local enterprises shall be given purchase preference over such dealer.

2. Evaluation Criteria (ITB 36.3 (d))

The Purchaser's evaluation of a bid may take into account, in addition to the Bid Price quoted and other criteria mentioned in the ITB and BDS, using the following criteria and methodologies.

Delivery schedule: The Goods specified in the List of Goods are required to be delivered within the acceptable time range (after the earliest and before the final date, both dates inclusive) specified in the conditions related to Delivery Schedule. No credit will be given to deliveries before the earliest date, and bids offering delivery after the final date shall be treated as nonresponsive.

RTPP Rules: Additional Conditions of Contract

Correction of arithmetical errors 1.

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis;

- if there is discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is and obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price
- If there is an error in a total corresponding to the addition or subtraction of subtotals, the (ii) subtotals shall prevail and the total shall be corrected; and
- If there is discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures (iii) shall prevail subject to (i) and (ii) above. If the bidder that submitted the lowest evacuated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited of its Bid Securing Declarations shall be executed.

Procuring Entity's right to Vary Quantities

- At the time award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase (i) of decrease shall be not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Documents due to change in circumstances, the (ii) Bidder shall not be entitled for any claim or compensation expect otherwise provided in the Conditions of Contract.
- In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity fiii) shall not be more than 25% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the Supplier.
- Dividing quantities among more than one Bidder at the time of award (In case of procurement of 3. Goods).

As a general rule all the quantities of the subject matter of procurement shall be procured from the Bidder, whose bid is accepted. However, when it is considered that the quantity of the subject matter of procurement to be procured is very large and it may not be in the capacity of the Bidder, whose Bid is accepted, to deliver the entire quantity or when it is considered that the subject matter of procurement to be procured is of critical and vital nature, in such cases, the quantity may be divided between the Bidder, whose Bid is accepted and the second lowest Bidder or even more Bidders in that order, in a fair, transparent and equitable manner at the rates of the Bidder, whose Bid is accepted.
