

## **Guidelines for Enlistment of Vendors/ Manufacturers of various types of Flow Meters as per Evaluation Criteria based on Marking Pattern**

1. Vendors who are manufacturer of various types of Flow meters are eligible for applying for enlistment.
2. Check list of marking pattern for enlistment of vendors of **various types of flow meters {Electromagnetic flow-meters, Ultra sonic flow-meters & Mechanical (Woltman type Bulk) flow-meters}**, to be used in water supply schemes/ projects of PHED, Rajasthan consisting of **mandatory criteria as Annexure A and evaluation sheets as Annexure B & C**, is available on departmental website as **“Form M-16”**.
3. Vendors / manufacturer of various types of flow meters have to download Form M-16 from the web site and submit documents required as per mandatory criteria and Annex. B of **Form M-16** for the flow meter (s) manufactured by them.
4. During scrutiny, mandatory criteria will be checked first.
  - a) The applicant full filling all the mandatory criteria (applicable), shall only be eligible & considered for further evaluation. The documents submitted as per Annex. ‘B’ (Form M-16), will be examined and marks will be assigned accordingly.
  - b) If applicant is eligible w.r.t. mandatory criteria and visit to manufacturing unit will be decided then Annex. ‘C’ (Form M-16) will be applicable.
  - c) Marking of Part A and Part B of Annex. ‘C’ (Form M-16) will be on the basis of document submitted & subsequently verified during shop survey.
  - d) Marking of Part C of Annex. ‘C’ (Form M-16) will be as witnessed, during shop survey.
  - e) In case, applicant does not full fill any of the mandatory criteria (applicable), then the applicant shall not be considered for further evaluation and informed accordingly.
5. Minimum qualifying marks will be 75%. The vendor securing marks 75% or more in evaluation as per annexure “B” or “C” as the case may be, will be considered as recommended for approval for that type of flow meter.
6. Separate sheet will be prepared for each type of flow meter.

7. Technical Committee of the department will be the final approving authority.
8. After approval of Technical Committee the name of vendor / Make of vendor will be added to “List of Specified Makes” of the department and vendor will be informed accordingly.

**NOTE:** Evaluation of new submission for enlistment of vendors for various types of flow meters is now being done on the basis of marking pattern as approved by TC/ 744. Already approved vendors of flow meters, as per “List of Specified Makes” updated up to 30.04.2023 will also be reviewed periodically and subsequently based on the new evaluation criteria (i.e. marking pattern).
